Murali Guthikonda
MD, FAANS, FACS

L. Murray Thomas Professor & Chairman
Wayne State University Neurosurgery

Greetings! We are delighted to host **Dr. Claudia Robertson**, from the Baylor College of Medicine and Ben Taub General Hospital in Houston, Texas, as our **Gurdjian-Thomas Visiting Professor**, continuing our tradition of advancing neurosurgical education in our community. Dr. Robertson's talk will be entitled **Management of Traumatic Brain Injury**.

Our mission is to provide excellent patient care using evidence-based medicine and new and innovative technologies. We have 19 academic faculty members providing exceptional neurosurgical patient care, funded neuroscience research and neurosurgical education.

Please join us for our **Gurdjian-Thomas Visiting Professor Lecture**.

Dinner will be provided and CME credits will be offered.

Management of Traumatic Brain Injury

Claudia Robertson, MD

Dr. Claudia Robertson is currently Professor in the Department of Neurosurgery at Baylor College of Medicine. She is also Medical Director of the Neurosurgical ICU at Ben Taub General Hospital, which is a Level 1 trauma center in Houston, Texas.

She received her MD degree from Baylor College of Medicine, and did internship and residency training in internal medicine at Georgetown University-Washington VAH. She also completed a fellowship in critical care medicine at West Virginia University Hospital prior to joining the faculty at Baylor College of Medicine.

Her research interests are in the acute care management of patients with traumatic brain injury.

For more information and to RSVP, please contact Nancy Triggs, Medical Education Coordinator
