Department of Neurological Surgery

Greetings! We are delighted to host Dr. Fady Charbel from the University of Illinois at Chicago as our Gurdjian-Thomas Visiting Professor, continuing our tradition of advancing neurosurgical education in our community. Our mission is to provide excellent patient care using evidence-based medicine and new and innovative technologies. Our department has some of the leading neurosurgeons in the nation in their fields of subspecialty to provide your patients the most current practiced procedures with best outcomes. We are delighted to have you as our guest for the Gurdjian-Thomas lecture.

Please join us on Tuesday evening for a lecture entitled
