The Departments of Neurosurgery and Orthopaedic Surgery welcome you to attend Spine Grand Rounds.

Spine Grand Rounds is a multi-disciplinary forum designed to provide comprehensive education about spinal diseases, disorders, and treatment.

Target Audience: Physicians and mid-level providers in Neurosurgery, Orthopedics, PM&R, Anesthesia / Pain, and other health care providers interested in spinal conditions.

Featured Speaker

John Kostuik, MD, FRCS
Co-Founder, Past Chairman of the Board, and Chief Medical Officer, K2M, Inc.

Anterior / Posterior Surgery for Adult Idiopathic Thoraco-Lumbar Scoliosis
8:00 - 9:00 AM

Dr. Kostuik was previously the Chief of Spine Surgery at The Johns Hopkins University School of Medicine. He has also served as President of the Scoliosis Research Society and the North American Spine Society, in which he was an original member and organizer. He is recognized as one of the world's leading teachers and authorities on spine surgery. A prolific researcher and author, Dr. Kostuik has composed hundreds of peer-reviewed and invited publications.

Dr. Kostuik has been keynote speaker at almost every major spine society in the world and has trained over 150 internal spine fellows, of which an estimated 145 are in active practice today. In 2010, Dr. Kostuik received the Lifetime Achievement Award from the Scoliosis Research Society.
